WHO YOU'RE SUPPORTING

Provides year-round sports training and competition for individuals with intellectual disabilities, creating opportunities for inclusion, confidence, and lifelong friendships—on and off the field.

◆ New Hampshire Association of Chiefs of Police

Supports law enforcement leaders across the state through training, collaboration, and advocacy—helping departments better serve and protect their communities.

◆ New Hampshire Police, Fire & EMS Foundation

Provides financial assistance and critical support to New Hampshire's first responders and their families during times of need—because those who serve deserve to be supported, too.
